a Lesson in the University of The New Covenant

Theodore Cottingham, July 27, 2004, 6:30 p.m. London - Tape 28, Side "A"

www.unc.bz

1. I did not give you the spirit of power, of love, and a sound mind for you to exalt yourself, to do what you think you want to do. I gave you My knee. I gave you power of Me. I give you power of Me to do what I call you to do, what the Father has for you to do. What I am communicating to you this day, this evening, to do Me, to be Me, to spread Me before My people, (laughter), carefully crafting the way the table is spread before My people so that they can come eat of Me and the words that I have given you; words that I have given Me and My Me through you; Me, My Me, My words that I come and display now to nations, to nations, to nations. I love you. **My words in red to you this day, My words in blue**. I love you. My words in every color for My people of every color, race, tribe, nation and tongue. I love you. And I give you Me and I arise you this day if you will but see, see, see Me, see Me, hear Me, feel Me and become Me.

2. Lead forth in the leadership which I have given you becoming meeker-ship, one-ship, and Me-ship. Will you repent and bring forth repentance and leadership and meekness, and one-ship and Me-ship; to foundation, confidence and significance My people; to bring forth the knowledge of Me and the fellowship of My sufferings and the power of My resurrection; the peace, provision, protection and promotion of My body all, over My earth, over My all?

3. I love you and I come and I call and I bring you to Me. I bring you to My side. I bring you crafts and creators of Me—creators who will at My knee sit and sieve to know the thoughts that are Mine and discontinuity not make of disjointed interruptions, but allow Me in maturity to flow, to flow, to flow on them, to flow and recreate, to synergize, to synergistically see Me and what I am doing and how I am doing it and doing it with people together in calm, in communings, and collaboration, community and communities created newly, networks of only Me. I love you.

4. I come and I call and, splash this day, (laughter) splash this day into the pool of what I have for you, that I have called you for, that I have prepared you for, for months and months and years at My knee. Now splash for Me! In mid-air no longer, splash for Me and take up with Me, swim with Me and enjoy the sharing of Me like no other, like no other can, like no other will, I in My heart of only Me with you. I love you. I bless you. I give you Me. I love you.

5. **I chose My chosen for My chosen chose Me. You are My chosen and you who read this are My chosen. You who listen, you who come and call and pay a price to know Me and the fellowship of My sufferings over the power of My resurrection**. You who I will drink-offering, who will drink-offering before you, before Me, I choose--I will choose, I do choose, I have chosen.

6. I have chosen so many. My blood runs deep, thick, covers the earth now, coming and calling to every single one of you saying "I choose you, I choose you, I chose you, I chose you and I choose you; this day choose whom you will serve, mammon or Me, religion or Me, status-thought or prominence in My Kingdom bringing the Kingdom of Heaven on this earth now today in fullness displayed, personified in Me, personified in you; seeing Me, feeling Me, becoming Me for all those around you, for generations past, present, and future. I love you.
7. I love you and I give you Me. Now splash. London royal, I love you. I love you and I come and I call and I share with eyes wide open. I love you. I love you and I give you Me, tenderly, tenderly, tenderly, tenderizing that which I have given you so that all who come may eat, may eat and be satisfied to the full, eat and be satisfied, eat and be satisfied, nourished; their inner man strengthened with meat from My throne, some for the first time ever. I love you. I love you.
8. Tender be with My tender, tender be with My misguided, my zealots, My ignorant, My apathetic, My who know Me some, My who know Me well, My who drink-offering'd are, My who organize and step out and become entrepreneurial with Me. I love you all. I love you each one.
9. Eat at My table, eat of Me, all of Me you will. I present Me to you this day. Find Me acceptable I pray in thy sight. I love you and I give you Me.
10. I come and I call and I present Myself before you each one as My servant splashes before you this day unafraid of the risk, unafraid of failure, unafraid of what is said or not said or will be said or won't be said or interpreted right or wrong in the future, past or present. I love you.
11. Now splash for Me young man. I love you. This day I give you Me, July 27, 2004, London, England, UK, My continent, My Europe, My globe.
12. Listen to Me please as I come and I call and I expand My call and I survey of only Me, with wave lengths of only Me, the hearts of only Me shedding the speaking of My blood, My love, My body for you.
13. Come and one be in Me, all you who are heavy laden, and I will give you rest. My yoke is easy and My burden is light, and My joy is pure joy, and My real is tangible, so very tangible. See Me and know Me, know that I am God and that I love you and I empower you this day to see Me, to feel Me. Hear Me in these words and become Me.
14. London royal, I love you. I give you Me. Good Day.
